

Our Mission

Dedication:

We are dedicated to giving our customers the best service in the industry. Our commitment is to offer exceptional products that are competitively priced, relevant and profitable. We are dedicated to operating our business within all federal, state and local regulations.

Leadership:

We are committed to being a leader in the market and in our community. We will provide our employees with the necessary tools and technology to be competitive while offering opportunities for career and personal growth.

Team:

We will work with suppliers toward creative solutions that move our partners' and customers' businesses forward. We seek partners who are invested in a long-term relationship that will support their brands through mutually agreed upon distribution, programming and sampling.

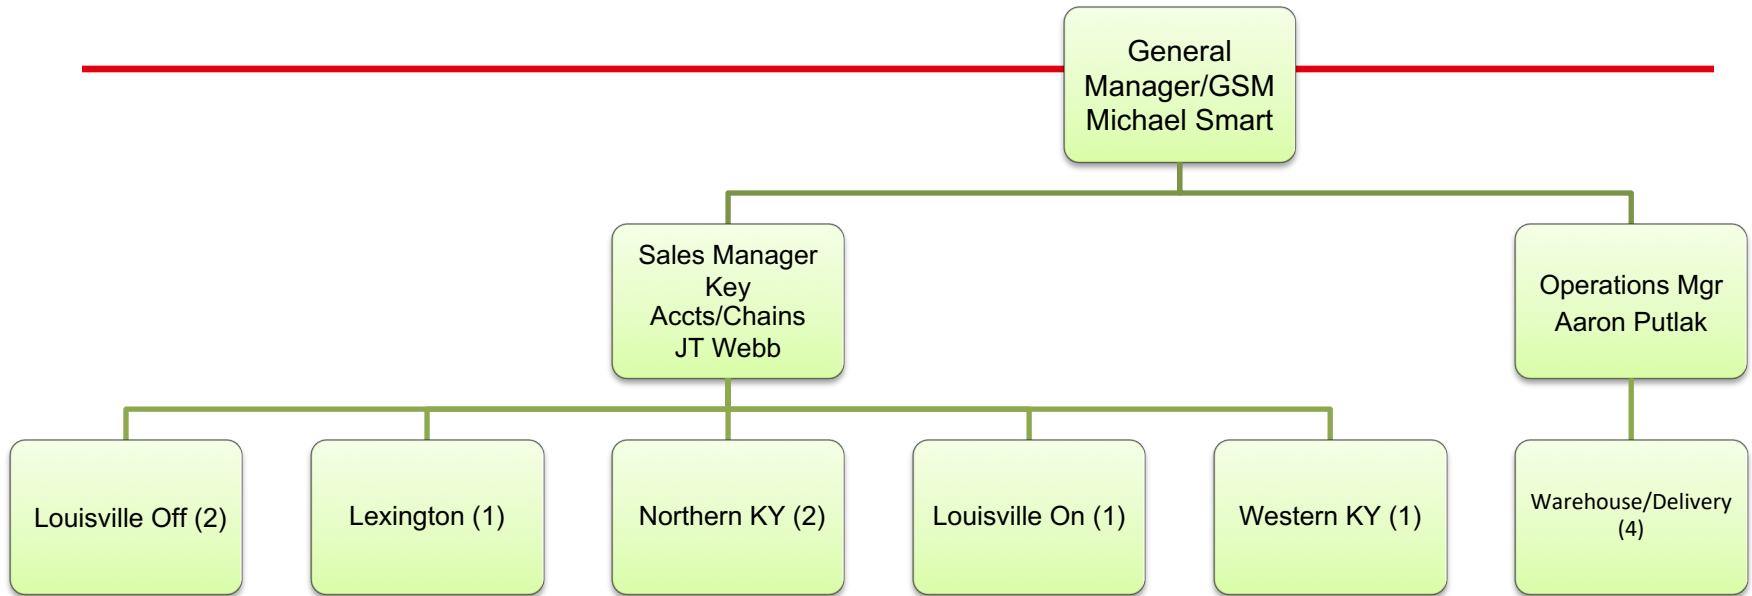

Our Team
